

Can't find legacy devices?

Central has what you need.

As other semiconductor manufacturers increasingly discontinue **legacy discretes**, Central continues to manufacture these devices for designers who need them. Eliminate burdensome lifetime buys and extend product life cycle with the over 3,000 legacy device types from Central's extensive inventory.

For more information, call us at: **631.435.1110**
or view devices online: **www.centrasemi.com/dps35**

Central's franchised North America distributors:

diodes &
rectifiers

bipolar
transistors

MOSFETs &
JFETs

protection
devices

multi discrete
modules (MDMsTM)

thyristors
