

Product / Process Change Notice

Parts Affected:

All discrete semiconductor devices manufactured in the SOT-563 package.

Extent of Change:

Alloy42 lead frame has been added as a qualified material for SOT-563 manufacturing in addition to the currently used copper alloy lead frame.

Reason for Change:

This change will insure an uninterrupted flow of product and provide increased flexibility for supply chain management.

Effect of Change:

This change does not affect the form, fit, or function of any device.

Qualification:

Standard evaluation and qualifications completed resulting in no performance differences compared to current product.

Effective Date of Change:

January 10, 2009.

Sample Availability:

Please contact Salesperson or Manufacturer's Representative.
